The only Fiscally Conservative *and* Socially Liberal candidate running in your district.

Fiscally Conservative

- ◆ Protect the New Hampshire Advantage:
NO sales tax, NO income tax, YES to a responsible budget
- ◆ Revitalize our NH economy by allowing small businesses to flourish and create jobs
- ◆ Use technology to provide transparency of state spending by disclosing complete budget details online

Socially Liberal

- ◆ Give our children the opportunities they deserve through local control and choices in education
- ◆ Bring back affordable health care by legalizing health insurance provider competition across state lines
- ◆ Free up our court systems, prisons and police to better protect us from dangerous criminals by decriminalizing marijuana

As your State Representative, I will consistently vote for constitutionally limited government, and to protect individual liberty and privacy.
